Dear Fellow Artist,

Thank you for your interest in becoming a member of the Windham Art Gallery (WAG). WAG is one of the oldest cooperative galleries in the region, providing an opportunity for local artists to exhibit painting, sculpture, photography, and fiber in a professional and attractive setting. Membership is open to artists living within a 50 mile radius of Brattleboro. WAG has two levels of membership. For more information on these categories, please refer to the reverse side of this information sheet. Submitted applications are reviewed monthly at Steering Committee meetings.

Please include in your application:

1. A resume or biographical statement and a short statement about your work and your intent as an artist.
2. A statement about your reasons for being interested in becoming a part of WAG. References are optional.
3. 10 to 20 images of your recent work. Images are preferred in digital format, submitted on a CD or in prints. Each image should be labeled with the artist's name, title of work, dimensions, medium, and an arrow indicating the top of the art piece.
4. Please include a self-addressed, stamped envelope of adequate size to hold your CD or prints if you wish them to be returned to you. Thank you.
